

Amherst, NY 14226

July 5, 2008

Dear Superintendent Dinallo and Dr. Danes,

I am writing to let you know that I strongly support the proposal for affordable universal health coverage in New York State.

I have been uninsured since January 1, 2008, and I know I speak for others as well as myself how difficult this is.

Thank you and God bless.

Sincerely,  
Rosemarie Salmeri
